Gmail Down Again World Wide. Second Time Since January 24

Saturday, March 15, 2014 2:43

Don't panic, use Twitter or other chat-room type services...

Google's Gmail Web-based email service went down today, Friday, March 14, also affecting other services including Google Plus, which now powers YouTube's comments section. Google (NASDAQ:GOOG) commented at 2:12 p.m. EST regarding the outage:

We're investigating reports of an issue with Gmail. We will provide more information shortly.

Google reported the outage on its [Apps Status Dashboard](#), as users around the world began complaining about the error: Temporary Error (500). All access to Gmail is locked, preventing Web-based users from accessing their email.
