YouTube's play button was put on pause Wednesday for some users who complained that the website was down.

The problem, which is not affecting all users (including this reporter), comes on the day of the Google-owned platform's launch of its streaming service, Red. YouTube didn't immediately reply to request for comment.

Those who were unable to access the website took to Twitter to complain that they encountered a "500 Internal Server Error."

FYI: [#YouTube](#) homepage is down but direct video links still work. There's a 500 Internal Server Error.

Ennio Morricone, legendary film composer for 'The Good, the Bad and the Ugly', dies at 91

SAM HAYSOM
JULY 06, 2020

Ennio Morricone, the Italian composer best known for scoring the likes of Sergio Leone's *The Good, the Bad and the Ugly* and John Carpenter's *The Thing*, has died at the age of 91. Morricone passed away in a clinic in Rome several days after breaking his femur, according to the Guardian, who confirmed the death via his lawyer.

The best books of 2020 so far, according to Amazon

NICOLE GALLUCCI
JULY 06, 2020

If you're searching for some new titles to add to your summer reading list, you've come to the right place. Amazon's annual Best Books of the Year (so far) list is here to help steer you in the direction of 2020's must-read novels, memoirs, and more. Each year, the editors at The Amazon Book Review highlight some of their favorite works that published from January to June.

Robot birds, each lighter than a golf ball, can fly autonomously in a flock for up to 7 minutes

EMMET SMITH
JULY 06, 2020

Created by Festo, the BionicSwift is a flying robot that can autonomously move in coordinated groups of five. The robot weighs only 42 grams and can fly uninterrupted for up to seven minutes using incredibly intricate artificial feathers and mimicking the motion of real birds.

Robot birds, each lighter than a golf ball, can fly autonomously in a flock for up to 7 minutes

The Schuyler Sisters break down the ongoing relevance of 'Hamilton'

SHANNON CONNELLAN
JULY 06, 2020

Hamilton landed on Disney+ on July 3 during what could be described as a boiling-point for America. But the Broadway musical's beloved songs have proven their staying power, many years later.
