 **Xbox Live down** (Image: XBOX)

Xbox Live users have been hit by another outage which appears to affecting Xbox 360 owners.

The service has been suffering issues for the past few hours with many unable to log into their Xbox 360 accounts.

And one website shows the problems have been ongoing since last night.

The Xbox status page is currently showing errors stating: "Are you having a tough time connecting to Xbox Live?

"We're investigating the issue and working to get things back to normal ASAP.

"Thanks for staying patient, Xbox members. We'll post an update as soon as we know more."

Fans have now taken to Twitter to vent their frustration at the issues.

One user wrote: "Xbox live has been off since last night it's pathetic if it's not on by tomorrow morning we should get a refund or something"

Whilst another furious gamer wrote: "YET AGAIN!!! dont see them offering us a month free gold with the amount of times it has gone down over the past few months."

The current status on the official Microsoft page reads - Xbox Live Core Services • Limited

The last outage to hit Microsoft came in July when gamers couldn't access key services.

The problem was one of the biggest to hit Xbox Live for a number of months.

18th August • 10pm UPDATE:

Xbox has now updated the message on their status page and it appears the connection issues are ongoing.

Xbox currently state: "We understand that some of you are experiencing issues connecting to Xbox Live and we want you to know we're currently working with European ISPs to get things fixed as quickly as possible.

"Thanks for all your patience during this process! We'll provide another update as soon as we have more information.:

There's still no word on when the issues will be fixed.

19th August • 12pm UPDATE

Xbox Live is still down for many users across the the UK meaning it's been out of action for over 24 hours.

The latest Xbox Live status reads : "Hi Xbox members, we're aware that some of you are having trouble connecting to Xbox Live and we want you to know that we won't stop working until everything is back to normal.

"We're currently engaged with our friends who work with the European ISPs so that we can get everything

straightened out as soon as possible. Thank you for staying patient while we work. We'll update you again when we have more information.
