

# PlayStation Network Is Down — Time To Read A Bloody BOOK?

Drew Olanoff

5 years

Yes, it's that part of the day where we get to check in on fun things that are broken while you're doing actual work. Today's fun thing that's broken is **PlayStation** **i** Network (PSN).

People are [saying things](#) like this:

PSN is down so instead of a few frames of street fighter I have to read a bloody BOOK

— GaryDooton (@GaryDooton) [July 14, 2015](#)

This man is threatening to read a book and I feel really bad for him. What's wrong with you, Sony? Why isn't the PlayStation Network up? Its Twitter helpline is [trying to triage the issues](#).

First things first, talk to your local support team.

[@MezuTinho](#) Hi there, Please contact your local support team for proper assistance.

— Ask PlayStation (@AskPlayStation) [July 14, 2015](#)

Is that like AA for gamers?

PlayStation Network has [had its share of issues](#); let's hope this time is nothing major.

Its [status update page](#) is a little hard to follow, but there are red dots, which probably means something is wrong.

**Affected Platforms:** PlayStation 3, PlayStation 4

**Affected Services:** You may be experiencing issues related to launching games, applications, and/or social features such as trophies, messaging, or friends list. We appreciate your patience while we address this.

**Status:** Tuesday, July 14th 2015 2:00 pm PDT

*We've reached out to Sony for comment and will update once we hear back.*

**We never heard back from Sony about this, but the [status page](#) shows that all systems are go.**
